Nothing in this Agreement creates an employment, worker, partnership, or joint venture relationship. The Driver is solely responsible for registering with HMRC, filing annual Self-Assessment returns, and paying all Income Tax and National Insurance contributions.

1.2 Mandatory TfL & Vehicle Documentation: The Driver must continuously maintain and upload valid digital copies of the following documentation prior to accepting bookings:

Failure to settle net cash commission will result in immediate dispatch suspension and a **£25.00 late settlement administrative fee**.
